Forwards for information copy of the Proceedings of the Government of Madras, No. 105 A., dated 14th February 1904, stating that as the Daroga Mahomed Habeebullakhan's age at the time of retirement was below 55 years, his claim to any pension under the rules should have been supported by a Medical certificate of incapacity for further service.

2 To the Military Assistant, No. P. & A. 1807, dated 9th March 1904.
Forwards copy of the above Proceedings and requests him to explain the special circumstances which called for a retirement without a Medical certificate and to favour Government with his opinion as to whether the Daroga's case is such as to warrant a relaxation of the rules and the grant of a pension to him for his total service.

3 From the Military Assistant, No. 2884, dated 12th March 1904, states that the Darogas were retired from service, under the special orders of Government being found inefficient and incapable of carrying out the new scheme introduced for the better management of the cattle.

4 To the First Assistant to the Hon'ble the Resident in Mysore, No. Pol. 9, dated 2nd July 1904.
Explains the circumstances under which Mahomed Habeebullakhan and three other Darogas were retired from service, and requests to obtain the sanction of the Government of India for the grant of the pension to them.

5 From the First Assistant to the Hon'ble the Resident in Mysore, No. 3270, dated the 11th July 1904.

6 To the Comptroller, No. Fl. 305, dated 16th July 1904.
Forwards copy of the above and enquires if the cases come within the scope of Article 278 of the Mysore Service Regulations and if compensation pensions can be granted.

8 To the Military Assistant, No. Fl. 688, dated 1st August 1904.

---

9 From the Comptroller, No. 629, dated 29th July 1904.

I quite agree with you in thinking that the case has not been submitted to the Resident as strongly as it might be done.

The question of pensioning the Daroga or discharging him with gratuity is one which must be decided by the Govt. under which he serves the later years of his career. But such decision cannot possibly affect the responsibility of the Madras Govt to pay their share of the mans services as there is no question that for the time the Daroga served under Madras he worked well.

If this Govt finds that it must in the interests of the Travancore Department get rid of this Daroga because he has become inefficient though medically sound. They can either discharge him on gratuity or under the Rules condone the want of qualifying service and the Madras Govt reasonably should pay either a share of gratuity or pension.

As regards the Indian and the Department it is impossible to put him back. The whole sum over which there is so much trouble only amounts to Rs 4-13-3 and if the Diwan does not care to refer again to the Resident in the matter this sum might be charged against the Departmental credits & the balance pension given in the ordinary way.

Four Darogas of the Excise Kahal department were retired by the Offr in-charge of that dept on the ground of unfitness for their duty, although they had not put in sufficient service for pension. It was found

Submitted to His Highness

The appended note gives a connected history of this case. The Darogas in question were retired as they were not deemed efficient to be retained under the new scheme sanctioned in 1902. The Madras Government object to pay their share of the pensions without either a medical certificate of inefficiency or the sanction of the Government of India. The Resident considers that there are no grounds to justify a recommendation to the Government of India and suggested action being taken under Article 278 of the Service Regulations. The Comptroller to whom the matter was referred is of opinion that no compensation pension can be given under this article as the officials concerned were neither retired for physical inefficiency, nor were their appointments abolished or reduced. There has thus been much confusion which might have been anticipated by the Military Assistant. The proportionate share of the Madras Government is however small, amounting only to ~~Rs 4-13-3.~~ Rs 11-6-4. I beg that His Highness

-: N O T E :-

The retirement of Daroga Mahomed Habebulla Khan of the Amrit Mahal Department was recommended by the Military Assistant in his memo No. 17, dated 1st March 1901, and was sanctioned by the Government in the Military Secretariat in the Pro. No.1822-4/60 of 6-3-'02, and it was approved by the Dewan (Vide No.3770 of 23-11-'02).

The retirement of three other officials, viz., Venkoba Rao, Azizulla Khan and Adam Sherif, was also recommended by the Military Assistant in his memo No.26 of 10-9-'02, and it was sanctioned by the same Secretariat in the Pro. No. 872-4/36 of 8-10-'02, and it was approved by the Dewan (Vide No.7143 of 13-11-'02).

The pension application of Habebulla Khan was sent to the Comptroller on 24-4-'02, and those of three other officials named above on 11-1-'03.

The pension papers of Habebulla Khan were forwarded by the Comptroller with his letter No. 7481/1000 of 20-6-'03, to the General and Rev. Secretariat, with a request to make reference to the Hon'ble the Resident to obtain the sanction of the Government of India, for the proportionate share of pension debitable to the British revenue.

In the letter No.G 240 of 18-7-'03, the Hon'ble Resident in Mysore was requested to move the Government of Madras to bear the proportionate share of pension for the services rendered

by Habebulla Khan under the Madras Government, as they bore the same in the analogous cases of Kallimullah Khan and Tirumal Rao (Vide Resident's memo No.3227/479-90 of 24-7-1899). The Resident made a reference in his letter No.3536 of 30-3-'03, to the Madras Government, with regard to the proportionate share of pension debitable to the British revenue. The Madras Government made Pros. No.105 A of 14-2-'04 on the subject, the copy of which was forwarded by the Resident with his No.882 of 23-2-'04, and in which it was ordered that as the applicant's age was below 55 years at the time of his retirement, his claim to any pension should have been supported by a medical certificate incapacitating him for further service and on production of such a certificate, or if with the permission of the Government of India, the Durbar sanction the grant of pension, they would authorize the Accountant General, Madras, to accept the proportionate share.

On the receipt of the above Pros. the Military Assistant was requested in the docket No. P&A 1807 dated 9-3-'04, to explain the special circumstances under which the Daroga was retired. The Military Assistant, in forwarding the Government Pro. in the Military Department No.447-3/18 of 21-8-'02 sanctioning a new scheme for the reorganization of the Amrit Mahal Department, stated in his letter No.2884/F.113 of 12-3-'04, that as the officials Habebulla Khan and others had been reported as inefficient and incapable of carrying out the new scheme and that they had been therefore retired making room for men of better qualifications.

In intimating the above facts to the Resident in this office No.9/P&A 10 of 06/-'04 of 2-7-'04, the pension papers of other officials (Venkoba Rao, Azimulla Khan and Adam Sherif) lately received were also forwarded with a request to be favored by obtaining the sanction of the Government of India

for the grant of pension to the officials concerned.

The Hon'ble Resident in his reply No.3270 of 11-7-'04, remarked that there were not sufficient grounds to justify any recommendation to the Government of India in the matter and stated that the rule of proportion could be applied free from account objection if the cases of the individuals come within the scope of the Art. 278 of the Mysore Service Regulation. Then in the docket No.305/10-'03 of 16-7-'04, the Comptroller was enquired to state if the cases come within the scope of Art. 278 of Mysore Service Regulation. In reply, the Comptroller in his letter No.629 of 29-7-04 stated that the officials concerned were retired on account of inefficiency and that as the appointments held by them were not abolished, nor reduced , they were not entitled to compensation pension under the Art. 278, Mysore Service Regulation.

(Meanwhile, Azizulla Khan one of the retired officials of the Amrit Mahal Department submitted a memorial to His Highness on 4-7-'04, praying for his reinstatement. His memorial was forwarded by the Private Secretary to His Highness, with his memo No.42 of 5-7-'03 to the Military Secretary for report. The latter submitted it with his memo No.2 of 18-7-'04 to the Dewan and with the remarks of the Dewan to enquire what had become of that in the Genl. and Rev. Secretariat, the Military Assistant made a reference No.209/113 of 00-01 of 23-7-'04 to the Genl. and Rev-Secretary who in his No.688/S&H 10-03 of 1-8-'04 informed the Military Assistant that the whole matter was still in correspondence.)

(Vide Office Note) On perusing the whole correspondence, the Assistant Secretary in the Genl. and Rev. Secretariat noted (8-8'04) on the Comptroller's letter No.629 of 29-7-04

ordinary way.

The Secretary concurred (26-8-'04) in the above suggestion and the 2nd Councillor remarked (27-8-'04) that the Durbar either should bear the whole cost of pension or take the persons concerned into service until they qualify themselves for pension.

The Dewan agreed to the proposal of the whole pension being born by the Durbar and remarked (30-8-'04) that a note clearly shewing the whole case should be annexed.

The Secretary wrote a brief note (1-9-'04) on the subject.

The 2nd Councillor initialled on 3-9-'04. Received in D.P.E on 6-9-'04 and this note is put up on 21-9-'04.

Subject Pension to the Daroga Muhamad Azizulla Khan Venkoba Rao and Adam Sheriff of the Amrit Mahal Deptt

Letter No. 4494/556 A. 12 Febʏ 1904 from the Comptroller to the Govt of Mysore

The Comptroller submits the pension applications of the Darogas

(1) Venkoba Rao
(2) Adam Sheriff
(3) Muhamad Azizullakhan

of the Amrit Mahal deptt and reports that on his writing to the Accts Govt Madras for the acceptance of the proportionate share of the pension for services rendered by them under the British Govt prior to the transfer of the control of the Amrit Mahals ~~Depts~~ dept. to the Dewan

the Accountant Genl referred to him
to the Comptroller of Military Accounts
Madras, who on being written to
stated that he could not accept
the charge without the sanction of
the Govt of India. The Comptroller
requests therefore to obtain the sanction
of the Govt of India on the subject.
It is submitted that similar objection
having been raised by the Accts
Genl and the Comptroller of Military
Accounts Madras, in the case
of the Daroga Mahamed Habeebulla
Khan, it was decided by the
Govt of Madras that the Accts
Genl, Madras should accept
the proportionate Share. (Vide Madras
Govt Pro: No. 105 A dt: 14th Feby 1904)
It seems therefore not necessary to
obtain the sanction of the Govt
of India for the acceptance of
the proportionate share as desired by the Comptr
is to be observed that the Madras
Govt in passing the order above
referred to remarked that the
retirement of the Daroga should
have been supported by a
medical certificate as he was
then below 55 years of age and

if

× Flag A in the linked file

if the Durbar desired to sanction a pension for the combined service in the absence of such a certificate, they should obtain the permission of the Govt of India. In the present case too, all the three Darojas were retired when they were below 55 years ~~of age~~ of age. — Venkoba Rao, when he was 52 years' old, Adam Sharff, when he was 45 years' old and Azizullakhan when he was 54 years' old. The circumstances under which they were so retired are explained in — Govt Prs: No. 872-4/36 ^ Flag B. & 8th extract. If the Govt think it desirable, the permission of the Govt of India should be obtained for a relaxation of the rules in these cases. In the case of Md Habeebullakhkhan also, the same has to be done. Sir,

In forwarding herewith a file of papers relating to the pensions of Mohamed Azeezullah Khan, Venkoba Rao and Adam Shariff, retired Darogahs of the Amrit Mahal Department, I have the honor to state that under the practice which has hitherto obtained in regard to officers of this Department, many of whom were transferred from the Madras to the Mysore Service, when the Control of the Amrit Mahals was made over by the British to the Mysore Government I had the services of those whose claim to pension is now under consideration verified by the Comptroller of Military accounts,

Madras

Madras Command, and on his statement that their services under the British Government qualified for pension under the civil Rules, I addressed the Accountant General, Madras, requesting him in the usual course to accept the proportionate share of pension as a charge against the British Government but he replied in letter No. 8618 of 13th November 1903, "that as their services under the Madras Government were rendered in the Military Department, reference should be made to the Comptroller of Military Accounts, Madras Command, re. the acceptance of the proportionate share debitable to the British Revenues." The Comptroller of Military Accounts having accordingly been referred to, declares in his letter No. 5677 of 25th January 1904, that he is not prepared to accept as a Military charge, the proportionate share of the pensions without the Sanction of the Government of India.

It is for the first time that the right of these men, to combine their

their two services and claim to one pension for their entire service, has been questioned; I do not know the grounds on which the claim is now contested, but the present proposal is opposed to the established practice. I may cite the cases of the officials named in the margin as instances in point. Their services differ in no way whatever from those whose question of pension is now under correspondence: the proportionate share of their pensions was accepted by the Accountant-General, Madras, for services under the British Government.

Whether the share of pension from the British Government has to be borne as a charge against the Civil or Military Department, it is still a charge against the Imperial Revenues; as the Accountant General, Madras, has decided that it should be a debit against the Military Deptt: and the Comptroller of Military Accounts, refuses to accept it as a Military charge without the authority of the Government of

1. Ghulam Mohamed - Rs 10:7:5 Proportionate share borne by British Government Sec to Govt 20: 4419-20 of 13.7.21.

of India, I beg to request that you will be so good as to forward the case to the Hon'ble the Resident in Singapore, for obtaining the orders of the Supreme Government.

O R D E R No.105 A, dated 14th February 1904.

As the applicant's age at the time of retirement was below 55 years, his claim to any pension under the rules applicable to officers of the British Government should have been supported by a medical certificate of incapacity for further service. If on production of such a certificate, or if with the permission of the Government of India the Mysore Durbar sanction the grant of a pension to the applicant for his total service this Government will authorize the Accountant-General to accept the proportionate share of the applicant's pension, viz., ₹4-13-3 per mensem for his earlier service under this Government, as a charge against the British Government Revenues.

P. T. O.

Copy of certificate and report of the Accountant-General, No. A.D.J./632, dated 6th February 1904:-

Submitted to Government. The applicant commenced service as a Daroga in the Amrut Mahal department in Mysore on the 1st March 1872, when it was under the control of the Madras Government in the Military department and continued to serve up to 1st January 1882, when the department was transferred to the Mysore Government. He remained in service up to 28th February 1902 and retired from the following date. As the pay bills of the Amrit Mahal establishment were audited by the Controller of Military Accounts, Madras Command, that officer was asked to report whether the applicant's service up to 31-12-81 was pensionable on the superior scale and if so, whether he would be prepared to accept the proportionate share of pension due for that service as a charge against the Military department. In reply, the Controller states that the service is superior and is pensionable under the rules contained in the Civil Pension Code. But he declines to accept the proportionate share of pension without the sanction of the Government of India, although his attention was drawn to the marginally noted communications - vide Controller's letter No. 5676, dated 25th January 1904, enclosed.

A.G's.letter to G.I.No. I.A.E./399, dated 1-12-96
G.I. No. 119 P, dated 9-1-97, Financial.

2. As the applicant's age at the time of retirement was below 55 years, his claim to any pension under the rules applicable to officers of the British Government ef should have been supported by a Medical certificate of incapacity, for further service. But in the present case, no such certificate has been furnished and the Govt. of Mysore has sanctioned the applicant's retirement, although he was not declared to be unfit for further service. In the circumstances, it is for Government to determine whether the application should be entertained.

3. The applicant's whole pensionable service amounts to 27 years 5 months and 30 days and under ordinary circumstances a pension not exceeding Rs. 15 (fifteen) only a month equal to 30/60 of average emoluments will be admissible and will be admissible as shown in the margin. But as the grant would involve a relaxation of the rules it is requested that the case may be submitted to the Government of India as required by article 972 of the Civil Service Regulations.

British Revenues . Rs.4-13-3
Mysore Revenues . Rs.10-2-9

It is observed also that, as the applicant at no period of service was employed in the civil department, the proportionate share of his pension that may be sanctioned to him should be audited not by this office but by the Controller of Military Accounts, for reasons stated in this office letter No. Pen.V.464/9896, dated 30th January 1903, duly enclosed

In accordance with Rule 3 under article 914(b), the attention of Government is invited to article 470 of the Regulations.

Memorandum No. 17 dated 1st October 1901

from the Military Assistant to the Dewan of Mysore

- - - - - - -

Subject:- Retirement of Daroga Habibullakhan of the Amrut Mahal Dept.

- - - - - - -

I have already brought to the notice of Govt (vide my Memo No 59 of the 17th April 1901) that the present staff of Darogas are with few exceptions old and obese and have been brought up on careless and bad habits and should be retired early to make room formen of better position and educational qualifica--tions.

The Daroga under reference is reported by the Amrut Mahal Superintendent to have become so ineffi--cient that it is impossible to continue him in his appointment

Daroga Habibullakhan although about 53½ years of age and of 29½ years service cannot under the Codal rules in force be retired without Medical Certificate of physical unfitness for further service.

I beg therefore that orders may be passed to retire him "on the contemplated revision of the Amrut Mahal establishment" without a Medical certificate.

Memorandum No 26 dated 10th September 1902
from the Military Assistant to the Dewan of Mysore

Subject:- Retirement of Darogas Vencoba Rao Azizulla -khan and Adam Sheriff of the Amrut Mahal Dept.

The cases of these men are almost identical with that of Habibulla khan whose retirement was sanc--tioned in Govt Pro No 1822-4/60 dated 5th March last.

None of these have completed 55 years of age, nor have they put in 30 years service.

The Superintendent Amrut Mahal Dept in his letter No 40 dated the 29th ultimo (which I enclose for your perusal) says these Darogas are inefficient and must be retired at once to make room for men of better position and educational qualifications. As far my knowledge of these goes I am quite at one with him.

Under existing rules these men cannot be retired without a medical certificate of physical unfitness and as I am anxious to put the revised scheme into effect I beg that early orders may be passed for their retirment without a medical certificate of unfitness for further service.

To

The Dewan of Mysore.

Dated Bangalore, 11th July 1904

SIR,

I am directed to acknowledge the receipt of Mr. Venkatavardiengar's letter No. Pol 9, dated the 30th June 1904, regarding the pension of Muhamad Habubulla Khan and 3 other Darogas of the Amrut Mahal Department.

2. In reply I am to state that from the facts placed before him the Resident considers that there are not sufficient grounds to justify any recommendation to the Government of India in this matter. The rule of proportion can perhaps be applied from account objection if the cases of the individuals concerned come within the scope of Article 278 of the Mysore Service Regulations and compensation pensions are granted under the rules.

3. The original enclosures to the letter under reply are herewith returned.

(27)

To

His Highness Sri Krishnaraja Wodayar Bahadur,
The Maharaja of Mysore,
M Y S O R E.

May It Please Your Highness,

With every degree of respect and profound submission I most humbly beg leave to submit my humble petition with sanguine hopes of success.

When I submitted a petition on the 4th March 1904 setting forth a few facts about my being unjustly and against Government rules, forced to retire from my appointment as a Daroga in the Amirta Mahal Department, I was favoured with an endorsement No.1544 dated 21st March 1904 from your Highness' Private Secretary to the effect that my petition was forwarded to the Military Assistant for disposal. As my case did not receive sufficient consideration I again take the liberty of venturing to approach your Highness with my humble petition with a hope that my grievances will properly be redressed.

I rendered approved and faithful service as a Daroga in the Amirta Mahal Department for 25 years and obtained good testimonials from different officers who happened to come to the Department. Though Government Proceedings No.63 dated 17th November 1885 say that I am quite competent and even deserving of some rapid promotion in any Department in Mysore no consideration of any kind whatever has been shown to me while I was then working satisfactorily. I was all on a sudden and even without any physical unfitness ordered to be retired from service under Proceedings No. $\frac{872-4-46}{8-10-1902}$ & $\frac{447-9-18}{12-8-1903}$.

I also got an endorsement No.285 dated 4th March 1904 from the Military Assistant that I was given an invalid pension of Rs.12-11-2 per mensem. In connection with this I may be permitted to place before your Highness that I am under age and service and physicallyfit for any hard work and that the Military

Assistant

Assistant who is not my immediate superior and as such not supposed to know anything either about me or my work has concluded that I am an invalid and unfit for further service. Your gracious Highness may therefore send me to the Senior Surgeon or the Dewan for Physical fitness or other examinations under the Government rules

I am at a loss to know how the Dewan passed his Proceedings on mere statement of the Military Assistant compelling me to retire without medical unfitness and preliminary enquiries. I may also be permitted to state here that just at the time of my getting promotion under the new scheme like all other Darogas I was unexpectedly compelled to retire. Several persons who have retired from British Service have been appointed and are now in service both Civil and Military Departments. I also humbly beg to bring to your gracious Highness notice that the Military Assistant not only conferred Darogas appointments on the dismissed and retired persons of Imperial Regiment but also lately on common Mutsadies of 5 Rupees salary.

As the Military Assistant did not deal with me justly I appealed to Your Highness' mercy on the 14th March 1904 to reconsider my case but to my misfortune my petition was again transferred to the Military Assistant for disposal where I was certain that my case would not receive any reconsideration whatever.

Under these circumstances I humbly and respectfully beg your Highness would be graciously pleased to send for the whole correspondence concerning my case and refer the same with an order to the Dewan or the Council to reconsider my helpless case and to reinstate me so that I may be able to support a large family consisting of 15 persons for which act of kindness and generosity I shall ever pray for your Highness' long life and continued prosperity

I beg to remain.

May It Please Your Highness

Your most obedient and loyal servant,

Mohamed Azeezullah Khan
